

Dear Fellow Republican,

On behalf of the membership of the *East Providence Republican City Committee*, we want to invite you to become involved in a true grassroots effort to grow and strengthen the Republican Party here in East Providence.

As you know, Governor Don Carcieri is working very hard to bring honest, accountable, fiscally sound government to *all* the citizens of Rhode Island. Bringing about a better balance of power in both our state and municipal governments is just one way to achieve this. However, in order for us to be truly effective in bringing about positive, lasting change, we need the help of many people – especially those who have already registered to vote as Republicans – *people like you*.

If you would like to become involved in this grassroots effort – even if only in a small way – please let us know. Please return the form below, to indicate your level of interest, and to be placed on our mailing and/or e-mailing list – in order to be kept informed about upcoming meetings, activities, and events. For additional information, please visit our informative website at www.epgop.org or call us at (401) 437-0542. We hope to hear back from you very soon. Thank you.

Sincerely,

Kathy Santos, *Chair*
Fran Brelsford, *Vice-Chair*
William Ricci, Jr., *Treasurer*
John Baxter, *Secretary*
